Description:

About the Author She was born in Augusta, GA but was a Burke County native of Waynesboro, GA where she was practically raised. She now resides in the Augusta area. "Tiece" began to take her writing skills seriously around the year of 2004, which was just the beginning journey to a life-long career. She is currently attending school to become a licensed/certified Psychologist. She was an independent Author up until recently signing with "Write House Publishing" a subsidiary company with The Team BankRoll Squad. #TBRS #SBR #WHP She is definitely a "country girl" who is very kind at heart and incredibly bubbly. She enjoys spending quality time with her son and with her closest family and friends. She loves occasional walks in the park, watching other's bowl, reading, writing, and "me time"...She enjoys a good read of urban fiction, anything romance, and street lit. The first books that ever caught her attention were written by Donald Goines, Black Girl Lost, and Sister Soulijah, The Coldest Winter Ever. She is fan of both authors, but also enjoy books by Author Cole Hart, Brenda Hampton and a few others. Everything that she has accomplished, achieved or

prayed for has been by the grace of GOD to whom she gives all Thanks too.
