Description:

Ideal for undergraduates with little or no science background, **Earth Science** provides a student-friendly overview of our physical environment that offers balanced, up-to-date coverage of geology, oceanography, astronomy, and meteorology. The authors' texts have always been recognized for their readability, currency, dynamic art program, delivery of basic principles and instructor flexibility. The **Fourteenth Edition** incorporates a new active learning approach, a fully updated and mobile visual program, and MasteringGeology™-the most complete, easy-to-use, engaging

tutorial and assessment tool available.
