Description:

About the Author

Mikkel Aaland is an award-winning photographer, a popular workshop leader, and the author of ten books. He's lectured on digital photography at Stanford University, Drexel University, and the University of California at Berkeley, as well as at conferences around the country. Mikkel's documentary photographs have been exhibited in major institutions around the world, including the Bibliotheque Nationale in Paris and the former Lenin Museum in Prague.

Tim Grey is regarded as one of the top educators in digital photography and imaging, offering clear guidance on complex subjects through his writing and speaking. He has written more than a dozen books on digital imaging for photographers, and is the author of the popular *Ask Tim Grey newsletter*. Tim teaches through workshops, seminars, and appearances at major events worldwide.

The team at **video2brain** created and produced this high-quality course. Every year, hundreds of thousands of customers around the world take advantage of the exceptional video training offered by video2brain, an Adobe Certified Training Provider.
