**Description:**

Tall, dark and eligible? That's all that matters to the women of Jacobsville when it comes to handsome and aloof FBI agent Jon Blackhawk. But if it were up to him, he would never settle down. Luckily, Jon has the best gatekeeper: his efficient and reliable assistant, Joceline Perry. Without her help, he'd be at the mercy of husband hunters - but the more he comes to rely on her, the more he notices how invaluable she really is....

While Joceline can't deny that her boss is attractive, as a single mother with responsibilities she's determined to be professional. But when Jon is accosted by a criminal seeking revenge, she comes to

his aid - fueling the spark that is growing between them. As the attempts on Jon's life increase, Joceline stands by his side. But when the smoke clears, will the man who avoided love realize that all he ever needed was right there all along?
