From the Author I've done a lot of writing in my life. Nothing published, but with the popularity of ebooks and thriller novels I wanted to put my hand in again. It was a hugely rewarding experience and I learned a lot about myself, and about writing thrillers series in general.

The end result is **Blood and Justice**, the first of the Jake & Annie Lincoln Crime Thrillers.

I included some great characters, tucked in some humorous situations, and tried to keep the thrillers series an interesting and easy read.

It was great fun to write. The characters revealed themselves to me as I went along, and the story told itself. I couldn't wait to see what happened next. I was pleasantly surprised when the story ended. Not exactly the way I planned it, but there it was.

I hope you will give this private investigator series a look.

Rayven T. Hill
