Description:

Picking right up where *Charlie and the Chocolate Factory* left off, *Charlie and the Great Glass Elevator* continues the adventures of Charlie Bucket, his family, and Willy Wonka, the eccentric candy maker. As the book begins, our heroes are shooting into the sky in a glass elevator, headed for destinations unknown. What follows is exactly the kind of high-spirited magical madness and mayhem we've all come to expect from Willy Wonka and his creator Roald Dahl. The American space race gets a send-up, as does the President, and Charlie's family gets a second chance at childhood.

Throw in the Vermicious Knids, Gnoolies, and Minusland and we once again witness pure genius. (Ages 9 to 12) --This text refers to an out of print or unavailable edition of this title.
