### **Description:**

**About the Author** A native of the Metropolitan of Washington, DC, Mychea has had a dream to have her words shown in print since the age of eleven, when she began a series of illustrations and short stories. In April 2007, Mychea decided it was time to stop fantasizing and begin achieving, opting to turn her dream into a reality and so her debut novel Coveted began.

She is the author of urban fiction novels Coveted and Vengeance and in her spare time, Mychea loves to draw, model and act.

She is a current resident of New York City, where she is hard at work on her next novel.
