Description:

Manage your campaign with this indispensable Dungeon Master accessory for the world's greatest roleplaying game

The outside of this screen features an epic scene illustrated by Craig Spearing, depicting the red dragon Thraxata the Flamefiend and her kobold minions confronting a party of intrepid adventurers. The group's ranger tries to finish the fight with a legendary arrow of dragon

slaying meant specifically for this wyrm.

This durable, four-panel Dungeon Master's Screen, lavishly adorned with illustrations inside and out, will enchant and inspire players and Dungeon Masters alike. The screen's landscape orientation allows the Dungeon Master to easily see beyond the screen and reach over it, even as it keeps die rolls and notes hidden from players. Tables on the inside provide essential support for the three pillars of play-combat, exploration, and interaction-to Dungeon Masters of all skill levels.

Provides at-a-glance reference for the most relevant and often used in-game information such as conditions, a quick NPC characteristics generator, and a handy tool for setting the difficulty of skill checks.

An excellent resource for new and existing Dungeons Masters to facilitate inspired adventures and an engaging play experience.
