**Description:**

**Note: This ISBN is a Book with CD-ROM and does not include Access Card/Code.**

From SAT scores to job search methods, statistics influences and shapes the world around us. Marty Triola's text continues to be the bestseller because it helps students understand the relationship between statistics and the world, bringing life to the theory and methods. The **Twelfth Edition** contains more than 1,800 exercises, 89% of which use real data and 85% of which are new. Hundreds of examples are included, 91% of which use real data and 84% of which are new. New

coverage of Ethics in Statistics highlights new guidelines that have been established in industry.
