Description:

From Eternally Yours is a fitting title for the close to the Immortal Beloved series that chronicles live-for-the-moment party-girl Nastasya's growth into a caring, committed, community-minded, 450-year-old young woman. Nas' maturation at the hands of immortal organic farm/commune rehabber River has not compromised her sarcastic, self-deprecating sense of humor, and the erratic steamy romance with Viking Reyn will keep readers turning pages. New threats to Nas' safety emerge as her true heritage is learned, endangering everyone at River's Edge as the final epic battle is waged. A fine conclusion to a popular and unique series. Grades 8-11. --Cindy Dobrez --This text refers to the edition.

Review "The engaging final installment in the series that began with *Immortal Beloved* reveals new information about the world of the immortals and ties up loose ends... A satisfying series-ender."
