**Description:**

**Review** Ex-boyfriend is Ex-cellent!, March 15, 2009 By ReadingIsMyPassion (Washington, DC) - I was surprised that this author had another book out so quickly, but glad. She is really doing her thing. Ex-boyfriend was a different read, but intriguing all the way through. Once again, I picked up another book that I couldn't put down. I read this one while at work and kept looking around to make sure my supervisor wouldn't catch me. Vicki Holiday has an ex-boyfriend, Terrence James, who won't leave her alone. She broke up with him after catching him in bed with Tenesha, a ghetto, project chick with a serious attitude. Even though Terrence is forced to be with Tenesha because of circumstances, he is still obsessed with Vicki. He watches her every move, sits outside her

apartment, spies on her friends and follows her around. His obsession escalates into pure rage when he thinks she's dating a new man. He confronts the man and even shows up at their dinner date and turns over the table. Terrence goes through a major transition. The reader gets to see another side of him when they learn about his upbringing, childhood issues and a shocking family secret. I think that the ending leaves an opening for a part two. (I hope so.) I'd like to know more about Terrence, his mother, and even Tenesha. Even though I didn't fall in love with any of the characters, all of them had characteristics that I could relate to. I'd recommend this book to all who love a fast-past, drama-filled read with some hot sex scenes that are not too vulgar. Author Teresa D. Patterson has a very creative imagination and I'm looking forward to reading more books by her. --amazon.com --amazon.com

Excellent Read, June 25, 2009 By Readers In Motion book Club-Kim (Chicago) Terrence James is in love with Vicky Holiday. The only problem is that they are broken up, a detail that Terrence refuses to admit. Terrence has always been the forgotten child, abandoned by his mother; Terrance refuses to let Vicky leave him. Vicky loves Terrance, but after walking in on him cheating on her in their bed, she refuses to take him back. Vicky is determined to move on with her life, minus Terrence. Terrence begins to follow Vicky, harass her, and even vandalizes her friends and her property. Vicky feels like the best way to get over one love is to find a new one. Terrence learns some devastating news that will change his life forever. With the news and knowledge of Vicky's new friend it seems to be too much to handle, and in Terrence's eyes someone has to pay. Patterson is a dynamic author. The story draws you from page one. Patterson touches on topics that are sometimes overlooked: incest and mental illness. Ex-boyfriend is a well-developed story, which is worth putting on your shelf. Final Rating: 5 stars Reviewed by Kim for Readers In Motion Book Club --amazon.com
