About the Author Nana's love of all things romance and adventure started with a tattered romantic suspense she borrowed from her cousin. It was a sultry summer afternoon in Ghana, and Nana was a precocious thirteen. She's been in love with kick butt heroines ever since. With her overactive imagination, and channeling her inner Buffy, it was only a matter a time before she started creating her own characters. Waiting for her chance at a job as a ninja assassin, in the meantime Nana works out her drama, passion and sass with fictional characters every bit as sassy and kick butt as she thinks she is. Though, until that ninja job comes through, you'll find her acting out scenes for hubby, baby and puppy while catching up on her favorite reality television shows in sunny San Diego. --This text refers to an alternate edition.
