Description:

From the Inside Flap ?Amazing . . . a gem of a book that uses only the strength of the human voice to tell an American story -- sometimes dark, always fascinating.?

-- *USA Today*

?The accounts are wonderfully revealing, with gritty and almost shockingly honest detail. For all their variety, they weave a cohesive, passion-filled story of what people bring to their work. It's an addictive read.?

-- Harvard Business Review's Best Business Books of 2000

?Keen, disturbing, and deeply felt . . . the stories in Gig deliver a more rousing political wallop than

those in Working . . . remarkable and strangely moving.?

-- Susan Faludi, *The Village Voice*

?I love this book! It's surprising and entertaining and makes the world seem like a bigger and more interesting place. *Gig* manages to document everyday life and give pure narrative pleasure at the same time. One feels proud to live in the same country as the people in this book.?

-- Ira Glass, host of *This American Life*

?A fascinating compilation of what the American workforce has to say about itself.?

-- George Plimpton

?Eye-opening . . . more revealing than any theories a sociologist could concoct.?

-- *The Industry Standard*

?Entertaining, sobering, validating . . . Ordinary people discuss their jobs with extraordinary candor.?

-- *US Weekly*

?In the age of advanced spin, this book accomplishes a very rare thing. It actually lets workers speak for themselves. . . . The result makes for a fascinating read.?

-- Andrew Ross, director, American Studies Program at New York University

?Emotional and eye-opening, each compelling description offers insight about the job itself and, more important, an intimate view of a single human life.?

-- *Austin Chronicle*

?An engaging, humorous, revealing, and refreshingly human look at the bizarre, life-threatening, and delightfully humdrum exploits of everyone from sports heroes to sex workers.?

-- Douglas Rushkoff, author of *Coercion*, *Ecstasy Club*, and *Media Virus*
