Description:

Review Marie Force weaves a magical story with **Hoping for Love!** I'm totally enamored with Grace and Evan! When I got to the last page I said, "noooooooo I don't want it to be over!" I just love everything about Ms. Force's McCarthys of Gansett Island series! These people have become like family. They make me laugh and cry and dream of love. Grace and Evan's beautiful relationship blooms stunningly in **Hoping for Love**. Both characters have a lot of questions about their feelings and I love how Ms. Force leads these two down the path of love.

--Joyfully Reviewed

This is the first Gansett Island book I've read, but it's clear that Force makes a habit of creating

irresistible characters and dramatic situations. Hang out with Evan and Grace and you'll want to stay on Gansett Island, too!

From the Author Welcome back to Gansett Island! So far in the McCarthy series, we've seen Mac, Janey and Grant McCarthy as well as their friend Luke Harris lose their hearts to love. And now it's Evan McCarthy's turn. Oh, Evan. . . How fun you were to write in all your confused befuddlement. You've managed to slide through life with nary a thought to love or commitment or anything that smacked of forever--that is until Grace Ryan shows up on Gansett and turns everything upside down. I hope you'll enjoy reading Evan and Grace's story while catching up with some of our favorite Gansett Island residents.

You know what they say about best-laid plans... Well, I'd intended to write Tiffany's book after this one, but as you'll see in HOPING FOR LOVE, Owen and Laura demanded a story of their own, which is included along with some holiday magic--and a wedding--in the next book, SEASON FOR LOVE. The story will then jump forward to the following summer with Tiffany's book, LONGING FOR LOVE. After that, we've got some new characters to explore and Adam McCarthy is still looking for love. So, much more to come from Gansett!

Writing about this family and their life on an island so much like my beloved Block Island has been the most fun I've ever had as a writer. Thank you for embracing my fictional family and for all the lovely reviews you've posted. I appreciate your e-mails and Facebook posts more than you'll ever know. I always love to hear from readers. You can reach me at marie@marieforce.com. If you're not yet on my mailing list and wish to be added for occasional updates on future books, let me know with an e-mail. Also, join us on Facebook at Marie Force Book Talk where we chat about my books, other books we love and lots of stuff that has nothing to do with books! You can also join the fun at the McCarthys of Gansett Island Reader Group where we cover important topics such as which of the Gansett Island men we wouldn't kick out of bed and what actors would play the McCarthy brothers in our fictional movie. When each new book is released, we form a separate group to dish about the new story. You can find the Hoping for Love Reader Group. Come join the fun!

While HOPING FOR LOVE is intended to be a stand-alone story, you will enjoy it more if you read MAID FOR LOVE, FOOL FOR LOVE, READY FOR LOVE and FALLING FOR LOVE first.

Thanks to my brilliant behind-the-scenes team: Linda Ingmanson edits for me and Kristina Brinton does my beautiful covers. Thank you as always to my beta readers extraordinaire, Ronlyn Howe and Kara Conrad, as well as my writing buddy, Jessica Smith, who did a proofread. A special note of thanks to my lovely reader friend, Kat Bonner, who shared her personal journey with lap-band surgery and provided details that greatly enhanced Grace's story. Thank you, Kat, for your generosity and enthusiasm.

Finally, a huge thank you to my wonderful readers who've made it possible for me to live my dream of being a full-time writer. I love you all!

xoxo
