A Davis's Note Book!

Thoroughly revised to reflect the most up to date information, the 2nd Edition of this popular pocket resource for nurse practitioners provides quick access to the must-know information you need in clinical practice. You'll find information on screening, assessment, diagnoses, treatment of commonly seen medical conditions, and coding to optimize your practice's revenue.

What students are saying:

"This little gem will be my pocket companion for years to come... This is one of the best purchases I have made and will use this on a daily basis throughout school and my career. This is a must for every nurse practitioner student as well as the practicing nurse practitioner. Highly recommend, I LOVE this pocket guide!"
