Once i picked up "OFF THE STREETS" I put all other readings on hold until this book was completed & processed. I read it in no time & reflected on it for 2days!! The story is Dark & Beautiful, Good Vs Evil, Light Vs Dark, Ying & The Yang in more ways than one.

It was an interesting viewpoint into a city that hides so much from its visitors. An updated detective story that reads like a modern day narrative movie made from a comic book.

I read it one sitting. In fact, I got a sunburn because I was by the pool and couldn't put it down until I finished. Chris tells a story like a movie with one major difference: this one is real. Everything you thought you knew about pimps and prostitutes is wrong. A must read for anyone!

Detective Baughman does an excellent job at entertaining and informing about Human Trafficking. Shows why prostitution is not a victimless crime.  
- FREE/FREE International

Baughman's commitment to being a cop renders this book unforgettable. I couldn't put it down, and neither will you.  
- John Lescroart, NY Times Bestseller author

Real people, shattered dreams, stolen lives. A story of Detectives Baughman's calling to fulfill his mission from God.  
- Bill Hartness, Homicide Detective

A must purchase book about Human Trafficking. It will keep you intrigued all the way to the end.  
- Regina Porter - Special Victims Unit, Victim Advocate

Detective Baughman harnesses his passion to give us a gripping glimpse into his dark world of Human Trafficking. We walk away with a brighter outlook knowing there are cops like Baughman out there.  
- Andy Cashman - Network Television Producer

A powerful view from the inside of Human Trafficking. Readers won't be able to set this aside or get it out of their minds.  
- J. Ross Baughman, Pulitzer-Prize winning journalist and author

Detective Baughman has created an eye opening 'MUST read' about the seedy underworld of Human Trafficking.  
- Lieutenant Karen D. Hughes LVMPD - Vice Section
