**Description:**

Following the New York Times Bestseller, *One Thousand Gifts* -- a guide to giving thanks and finding joy in all aspects of life -- Ann Voskamp returns with this companion *One Thousand Gifts Devotional*. How in the world do we find real joy and experience grace in the midst of deadlines, debt, drama, and all these daily duties?

These sixty reflections, each one like a singular tree, invite you to take wing into a forest of graces. Glimpses of grace that will lead you into your own lifestyle of Christ-focus and communion. Into how your desperate need of Him every moment is wildly met with His extravagant love for you. As practical as profound, this devotional offers *real* life transformation with intentional space to begin the radical habit of thanking God for your own one thousand gifts.

The endless grace of our overflowing God, it's meant to be experienced *directly*. The most important thing is simply to begin.

Pick up a pen and this book -- and change your life. *Take the dare to fully live!*

God's just waiting to bless you with the greatest gift of all—more and more of Himself....
