## **Description:**

**From Publishers Weekly** Trust is so integral to our relationships that we often take it for granted, yet in an era marked by business scandals and a desire for accountability this book by leadership expert Covey is a welcome guide to nurturing trust in our professional and personal lives. Drawing on anecdotes and business cases from his years as CEO of the Covey Leadership Center (which was worth \$160 million when he orchestrated its 1997 merger with Franklin Quest to form Franklin Covey), the author effectively reminds us that there's plenty of room for improvement on this virtue. Following a touching foreword by father Stephen R. Covey (author of *The 7 Habits of Highly Effective People* and related books), the junior Covey outlines 13 behaviors of trust-inspiring leaders, such as demonstrating respect, creating transparency, righting wrongs, delivering results and practicing accountability. Covey's down-to-earth approach and disarming personal stories go a long

way to establish rapport with his reader, though the book's length and occasional lack of focus sometimes obscure its good advice. (Oct.)

**Review** "This much-needed [audio]book provides many practical examples of how greater trust produces better results, at less cost . . . at work and in life. It's invaluable."

-- Spencer Johnson, M.D., author of *Who Moved My Cheese?*
