Description:

The Applicant's Manual of Physician Assistant Programs provides prospective PA program applicants with detailed information regarding all accredited PA programs in the United States. We also provide helpful tips for applicants to improve their chances at success during the application process, as well as statistics at the national and program level so that applicants can see where they stack up compared to the competition. Find your perfect program and give yourself a competitive

edge! The new 2017 edition includes over 20 new programs, additional updated admissions information for each program, course planning space, supplemental application fees, and more!
