**Description:**

A deeply emotional tale about Sophie Duncan, a successful columnist whose world falls apart after her daughter's unexpected illness and her husband's shocking affair. When it seems nothing else could possibly go wrong, her car skids off an icy road and plunges into a frozen lake. There, in the cold, dark depths of the water a profound and extraordinary experience unlocks the surprising secrets from Sophie's past, and teaches her what it means to truly live...and love.

Full of surprising twists and turns and a near-death experience that will leave you breathless, this story is not to be missed.
