Since the original release of Lies Women Believe, many women have written to share the impact of

this message on their thinking and their walk with God. This study guide was developed as a result of inquiries from women all over the country desiring to go deeper in understanding and applying the message of Lies Women Believe.

The Companion Guide for Lies Women Believe is made up of ten sessions and is designed for individuals and small groups. Each chapter includes the following features:

*-**In a Nutshell**--gives you an overview of the chapter to be studied from Lies Women Believe and reminds you of the lies discussed within that chapter.*

*-**Exploring the Truth**--offers a daily personal study for you to complete during the course of the week between your small group meetings. Each day's study includes a few pages to read from Lies Women Believe and then questions to answer under the subtitles "Realize," "Reflect," and "Respond."*

*-**Walking Together in the Truth**--provides questions to be discussed when your small group meets.*

Now there is a resource that will help you go deeper with the truths from Nancy's best-selling book *Lies Women Believe*. These penetrating questions will make you and your friends think and wrestle with the Truth as you search the Bible for answers to tough issues. Truth is not just something to know but something to live out in the laboratory of life as you apply the Word to real-life situations. *The Companion Guide for Lies Women Believe* is ideal for small groups, Bible Studies, and Sunday school classes.
