Description:

Review "This is a concise, well-rounded hypnotherapy book by a therapist who thoroughly researched the subject. I love having it in my library." --Jillian LaVelle -- *Journal of Intenational Association of Counselors and therapists, Jan. 2000* --This text refers to an out of print or unavailable edition of this title.

From the Author Hypnosis is the original mind/body medicine. It can help you change your life and reach your goals. The Complete Idiot's Guide to Hypnosis is not for idiots. It is for you if you are curious about ways to improve your golf game or ways to speed through surgery. You can learn to love broccoli and hate chocolate, or you can learn to overcome shyness and enjoy public speaking. This book tells exactly how to use hypnosis for your advantage -- you can change your life! --This text refers to an out of print or unavailable edition of this title.
