Jean M. Twenge PhD - pdf download free book

HEALTH & FITNESS

"A wonderful (and often humorous) guide to getting pregnant... Women hoping to conceive will surely find very helpful information in this straightforward, informative and encouraging guide..."—*Shabbaree Prasad*

"This book is comforting, accurate, and very funny! I recommend it!"—*Christine Kurchup, MD, ob/gyn physician and author of Women's Bodies: Women's Wisdom and the Wisdom of Menopause*

Trying to get pregnant is enough to make any woman impatient. With this complete guide to the medical, psychological, social, and sexual aspects of getting pregnant, told in a funny, compassionate way, you'll feel like you're talking to a good friend who's been through it all. And, in fact, Dr. Jean Twenge has been through it all—the mother of three young children, she started researching fertility when trying to conceive for the first time. She collected the huge amount of information—sometimes contradictory, frequently absurd, and often discouraging—just as she encountered online, from family and friends, and in books. Here, it gives you the real story.

The good news is there is a lot less to worry about than you've been led to believe. Dr. Twenge gets to the heart of the emotional issues around getting pregnant, including how to prepare mentally and physically when thinking about conceiving, how to talk about it with family, friends, and your partner, and how to handle the great volume of encouragement, there also is how to know when you're ovulating, when to have sex, timing your pregnancy, monitoring your chances of getting pregnant, taking the odds toward having a boy or a girl, and the best prenatal diet. There's also an updated section on age and fertility, using the latest data on how long it should take to get pregnant at each age, and new information on the latest medical tests.

Trying to conceive often involves an enormous amount of emotion, from anxiety and disappointment to hope and joy. With careful humor, and straightforward advice, *The Impatient Woman's Guide to Getting Pregnant* is the bedside companion to help you through it all.

Jean M. Twenge, PhD, is a widely published professor of psychology at San Diego State University, author of the bestselling *Generation Me*, and coauthor of *The Narcissist Epidemic*. Dr. Twenge lives with her husband and three children in San Diego, California.

Description:

Comforting and intimate, this “girlfriend” guide to getting pregnant gets to the heart of all the emotional issues around having children—biological pressure, in-law pressures, greater social pressures—to support women who are considering getting pregnant.

Trying to get pregnant is enough to make any woman impatient. *The Impatient Woman's Guide to Getting Pregnant* is a complete guide to the medical, psychological, social, and sexual aspects of

getting pregnant, told in a funny, compassionate way, like talking to a good friend who's been through it all. And in fact, Dr. Jean Twenge *has* been through it all—the mother of three young children, she started researching fertility when trying to conceive for the first time. A renowned sociologist and professor at San Diego State University, Dr. Twenge brought her research background to the huge amount of information—sometimes contradictory, frequently alarmist, and often discouraging— that she encountered online, from family and friends, and in books, and decided to go into the latest studies to find out the real story.

The good news is: There is a lot *less* to worry about than you've been led to believe. Dr. Twenge gets to the heart of the emotional issues around getting pregnant, including how to prepare mentally and physically when thinking about conceiving; how to talk about it with family, friends, and your partner; and how to handle the great sadness of a miscarriage. Also covered is how to know when you're ovulating, when to have sex, timing your pregnancy, maximizing your chances of getting pregnant, how to tilt the odds toward having a boy or a girl, and the best prenatal diet.

Trying to conceive often involves an enormous amount of emotion, from anxiety and disappointment to hope and joy. With comfort, humor, and straightforward advice, *The Impatient Woman's Guide to Getting Pregnant* is the bedside companion to help you through it.
