Description:

Whether you are a beginner or have been sewing for years, this book is packed with all the

information you need to get the most out of your sewing machine, simply by changing the feet.

- Everything you need to know about feet attachments, from basic feet such as the zigzag foot to specialty fabric and technique feet that will help you invent new design ideas for your sewing projects.
 - Work effortlessly with a full range of fabrics, learn great time-saving tricks, and experiment with a range of decorative effects by following the authors' creative "ideas files."
 - Includes a guide to needle, thread, and fabric choices and buying advice for choosing basic, mid-range, and top-end sewing machines, embellishers, and sergers.
