A brilliant new take on the book of Revelation that gives listeners fresh insight, giving them peace of mind and a great hope for the future. Here's an unprecedented view of Revelation that will strengthen your faith and quiet your fears.

With a riveting mix of narrative storytelling and eye-opening biblical facts, Jim Bakker offers us front-row seats to the most spectacular drama of all time: the end time events foreseen by the apostle John on the isle of Patmos 20 centuries ago and unfolding before our eyes today. *Time Has Come* not only makes you an eyewitness to John's wonder-filled visions; it brings you clear insight

into what to expect in the days ahead. More importantly, you'll learn the steps you can take to be prepared for what is coming.
