Description:

Combining clear advice on the writing process and countless model documents from real workplace settings, *Writing That Works* sets the standard for professional writing books today. More than ever,

this eleventh edition reflects the role of technology in the office and the classroom, addressing the most current types of business documents online and in print, providing informative guidelines on selecting the appropriate medium for your document, communication, or presentation, and offering new advice on landing and keeping a job in today's economy. An integrated student site works with the text to offer additional resources and models reflecting the authors' trademark clarity.
