Description:

Review

'Wow, this had me on the edge of my seat or rather bed. I have loved the whole trilogy of Pearl & I am sad that this is the end, I love how this author writes, she made me believe I was watching the whole thing like a film in my head which is just how I like to read my books, watching them play out and imagining the characters.'

--*Confessions of a Bookaholic*

'Shimmers of Pearl is what a true erotic book should be; great story line, wonderful characters, and some of the HOTTEST sex/love scenes I've read in a while. This is where the author's writing shines.'

I could really feel the attraction and desire that Pearl and Alexandre had for each other. Their chemistry was amazing and their need for each other leapt off the pages.

Arianne Richmonde did a wonderful job, not with just the story and characters but also with her skillfully crafted descriptive writing. The whole Pearl Trilogy has simply captivated me.'

---*Swept Away by Romance*

'Holy hotness for sure! Arianne Richmonde more than delivered with book 3!!!

Yet another book I was highly anticipating the release of, and was not disappointed! All 3 books flowed wonderfully and had the perfect ending for the wonderful trilogy.

Definitely worth the wait of this book, couldn't put it down!! If you haven't read this trilogy yet, put it on your Must Read list!! I look forward to more from Arianne Richmonde!!

---*Sassy and Sultry Books*

'Awesome, full of heart, tears and much laughter. This book flows together and feels so real and true I forgot I was actually reading a story. I love these characters. If you want to read something great, get these books.'---*Dawn M. Earley*

'The wait for this final book in the series was well worth it. There were twists I never would have imagined....the best erotica series I have read to date. Arianne Richmonde I look forward to the next book, you truly are a delight to read.'---*Megan Cain Loera*

From the Author *Pearl* (the other side of the story from Alexandre's point of view is released!)
